HYGIENIC DESIGN
DURABLE LONG LIFE SHELVING

Duoguard.

Novalok Duoguard is an attractive and economically priced shelving system, which has proved to be very popular in both the 'Healthcare' and 'Foodservice' markets.

It is ideal for use in cool rooms, freezers, commercial kitchens, dry goods storage areas, and for hygienic applications in Hospitals, laboratories and technical institutions and the likes. The feature that makes Novalok Duoguard the first choice for Hospital Sterile stores, is the 'Novex plastic shelf'. With its smooth rounded off surface, and no sharp edges there is nothing to damage the delicate sterile wraps, those that have it sing its praises. Novalok Duoguard Shelving has proved itself in the market over the last 25 years to be the best, the strongest, the most durable, the longest life, and the most user friendly system available.
